

Remind

Communication is the most difficult obstacle we face. We want to keep you fully informed about what's going on in the parish. We have a parish website (www.spxconyers.com), a Facebook page ([spxconyers](https://www.facebook.com/spxconyers)), a parish app, a parish bulletin, closed-circuit televisions, and announcements made at Mass, yet we still have complaints that we don't communicate effectively. We encourage each of you to please join Remind so that we can send you text reminders.

All you have to do is use your cell phone to text a classroom code to 81010. Here are the codes that you should use:

Elementary ~ @spxelem

Edge ~ @spxms1

Life Teen ~ @spxlt

Parent Catechesis English ~ @spxenglish

Parent Catechesis Spanish ~ @spxspan
